

How to Find a Career That You Love Worksheet

What do you enjoy doing? What are your strengths?

What do I value?

What situations, people, and places make me feel good?

Three careers that would be my ideal are...

Who are (3) people doing what I want to do? Find out how that got to where they are.

Do a career assessment. Write your top three career results from a career assessment.

What skills or education do I need?

How much time will it take me to learn these skills or education?
