

# The Richest Man in Babylon

#1 Work + have an income = **save 10%**

#2 **Control your expenditures** - make your budget your assistant. The purpose of a budget is to help fatten your wallet. Enjoy your life by only spending 9/10ths of what you earn.

#3 **Make your money multiply** this will build your fortune. The continual income stream. **Compound interest!!**

#4 **Guard your money from loss (Risks)** Relax - wealth builds slowly over time. Talk to people who deal w/ money.

#5 **Home a profitable investment.** **own your own home.**

#6 **Insure a future income.** FICA, SURS, get some real estate, lend \$, retirement, insurance.

#7 **Increase your ability to learn.** **earn more**

Create a specific amount + work towards it

**study + become wiser**

**have your will!**
